

Stone Dimensions (www.stonedimensions.com) is a Pewaukee-based stone fabrication company that prepares and installs natural stone products in homes just like yours! Whether it's granite countertops in your kitchen or a marble vanity in the bathroom, we work with our customers from stone selection through installation, and beyond. Our company places the highest value on the quality of our workmanship, the relationships we establish and the satisfaction of our customers.

With over 60 years in the stone and tile business, our innovative technology and team expertise create an incredible environment to learn in. **We are looking to add a full-time member to our sales team as our company experiences exciting growth!**

Responsibilities:

- Proactively and independently acquire new customers and develop lasting relationships
- Find and bid potential future projects with the intention to win contract
- Main point of contact for customers virtually and on site, from initial bid through final production and billing
- Consistently meet sales goals and collaborate with sales, production and business support teams
- Build and maintain professional knowledge by attending workshops, reviewing industry publications, establishing networks, and participating in professional societies

Requirements:

- Associates or Bachelor degree in a relevant field
- Three years of professional experience within sales and/or customer service. (No prior stone industry experience needed, but a desire to learn is a must.)
- Exceptionally strong communication skills
- Open mind, positive attitude and a desire to contribute value to a growing company

Benefits:

- Insurance package and 401k retirement savings plan
- Flexible hours, paid vacation and sick days
- Competitive salary and bonus structure
- Fun, collaborative, dog-friendly office atmosphere!
